Mr. HUI Ching Yu, Christopher, GBS, JP  
Secretary for Financial Services and the Treasury

### President's Message

On behalf of CFA Society Hong Kong, I extend my heartfelt congratulations to the successful candidates who have earned their CFA® charter. This achievement is not just a personal milestone, but also a testament to your unwavering dedication, hard work, and commitment to the highest standards of ethics and professionalism in our industry. As you embark on this new chapter in your financial career, remember that you are now part of a prestigious global community of finance professionals. We are excited to see how you will contribute to our profession and uphold the values we cherish.

Dr. HO Man, Alvin, CFA  
President, CFA Society Hong Kong

CFA Society Hong Kong Awards Night to be held on 28 November 2025.

### About Us

CFA Society Hong Kong (香港特許金融分析師學會) ("the Society") is a non-profit organization founded in 1992 by a group of CFA® charterholders. The Society shares the mission of CFA Institute in raising the professional and ethical standards of financial analysts and investment practitioners through our advocacy and continuing education efforts.

As of 30 June 2025, the Society had 5,767 members and is the largest member society in Asia Pacific and one of the largest member societies of CFA Institute worldwide, which has nearly 200,000 members in over 160 markets. The Securities and Futures Commission ("SFC") recognizes the CFA® designation as an industry qualification for the licensing of Responsible Officers.

### Our Goal

We strive to be Hong Kong's leading investment professional body. We organize continuing education events to raise the standard of practice and uphold ethics in the financial services industry.

In addition to promoting CFA® charter as the pre-eminent investment qualification in Hong Kong, we provide a forum and be the leading voice for investment professionals.

### About the CFA® Program

The CFA Program is designed to equip you with the kind of expertise and real-world skills in investment analysis that will help you advance your career. It is a three-part exam that tests the fundamentals of investment tools, valuing assets, portfolio management, and wealth planning. CFA charterholders earn the right to use the CFA designation after program completion, application, and acceptance by CFA Institute. CFA charterholders are qualified to work in senior and executive positions in investment management, risk management, asset management, and more.

To receive the CFA charter, a candidate must:

1. pass all three levels of exam, exam time for each level is 4.5 hours;
2. have at least 4,000 hours of qualified work experience, completed in a minimum of 36 months;
3. follow the CFA Institute Code of Ethics and Standards of Professional Conduct.
